ABOUT ME

"A dedicated and hardworking student with a strong academic background, having completed O and A Levels from The City School. Currently pursuing a Diploma in advance software engineering from Aptech, developing practical skills in programming, software tools, and computer systems. Known for strong communication skills, quick learning ability, and a passion for working in the IT field. Continuously improving technical knowledge and aiming to build a successful career in the technology industry."

WORK EXPERIENCE

ANIMATION HOUSE : (LOGO DESIGNER) 2023- 2024

Experienced in logo designing, responsible for creating professional brand identities, selecting color palettes, and developing unique concepts based on client requirements. Able to deliver multiple design variations, revise according to feedback, and maintain high-quality visual standards."

IT & SOFTWARE SUPPORT 2024- 2025

"Supported the IT department by helping with system updates, installing applications, monitoring performance, and responding to basic IT queries. Developed skills in problem-solving, technical communication, and computer system handling."
